EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Christopher P. Maiorana on 8-2-06.

The application has been amended as follows: Claim 13 is canceled.

2. The following is an examiner's statement of reasons for allowance: Applicant has amended claims to incorporate allowable features indicated in the previous Office Action. Specifically, none of the prior art teaches or fairly suggests the following limitations:

- A select circuit configured to generate said control signal by selecting a first input when in a first mode said detect signal when in a second mode, wherein said first and second mode are selected in response to a selection signal, wherein said select circuit further responds to a second input when in a third mode when either said first input or said detect signal are not present as required by claims 1 and 15.
- Said phase circuit (A) comprises: (i) a phase select circuit, (ii) a first and second integration circuit, each configured to present phase signals, and (iii) a computation circuit configured to generate a phase calculation signal in response to said phase signals and (B) generates said phase error signal in response to said phase calculation signal as required by claim 10.

Art Unit: 2816

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to An T. Luu whose telephone number is 571-272-1746. The examiner can normally be reached on 7:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy P. Callahan can be reached on 571-272-1740. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
